## **KENWAL STEEL CORP. ENVIRONMENTAL POLICY**

Kenwal Steel Corp, with locations in Dearborn, MI, Burns Harbor, IN and Lebanon, TN provides slitting and warehousing of steel coils for the automotive and other steel consuming industries.

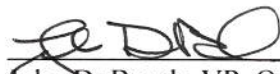

Kenwal Steel Corp. is committed to conducting business operations in an environmentally responsible manner. We believe that protecting the environment is a responsibility that is equally shared by all members of our organization. Through our Environmental Management System, we are collectively committed to:

- ◆ Complying with all applicable environmental regulations and legislation.
- ◆ Meeting or exceeding all other environmental requirements to which we subscribe.
- ◆ Preventing pollution, reducing waste, and conserving natural resources.
- ◆ Continually improving our environmental performance.

Kenwal Steel Corp. shall implement and operate the ISO 14001 Environmental Management System to further enhance our environmental performance.
